

10 Trees 10 Pubs

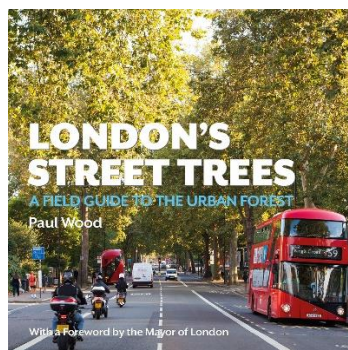

Looking at trees can be thirsty work

... so we've created a trail of 10 interesting trees that each have a pub nearby (or should that be 10 pubs that have an interesting tree nearby?) Either way, TiCL App will point out your nearest.

As you visit each location 'Check-in' on TiCL App. The person who 'Checks-in' (no purchase necessary) at the most locations during the Urban Tree Festival (18th-20th May) will win a signed copy of Paul Wood's book London's Street Trees

***WIN ***

***WIN ***

(in the event of a tie the winner will be chosen at random from the people who Checked-In at the most tree/pubs). The winner will be notified at their TiCL account e.mail address
